RE: Letter of Recommendation

To Whom It May Concern,

The purpose of this letter is to articulate my extreme satisfaction with Chris Daughtry and Chambliss & Rabil. This year Chris has completed construction of my fourth dental office. I have used a different contractor for each of my projects. Chris and his team were by far the best experience that I have had. Chris and Chambliss and Rabil set themselves apart from my previous experiences in the following ways:

1. They finished ahead of schedule
2. They finished under budget
3. If I had any questions I would get an answer within the hour
4. Weekly detailed progress reports with pictures were emailed to me

Chris and Chambliss and Rabil have exceeded our expectations. The communication, attention to detail, and schedule discipline were second to none. We will be continuing to expand in the area and will only use Chambliss and Rabil for our future contracting needs. If you would like any further detail on our experience please feel free to contact us anytime.
